

Support plates

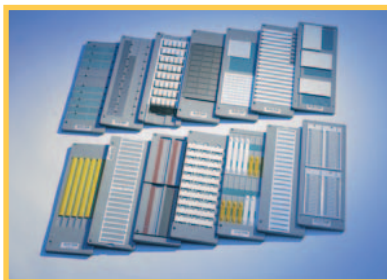

for EK Vario Plotter VP 500 full size (A3), VP 500 half size (A4), VP 100 half size (A4)

We offer a huge variety of support plates for holding all common elements in place to be labeled like for terminal blocks, cables etc. The most usual size for each support plate is 105 x 300 mm (4.13 x 11.81 inch). Up to 4 support plates of this size can be placed on the plotter VP 500 full size (A3) and 2 on the plotter VP 500 half size (A4) or VP 100 half size (A4) for labeling at the same time.

Additional support plates are available to hold single plates or label sheets in place using adhesive mats. In addition we offer a spec. support plate in the size of 200 x 300 mm (7.9 x 11.8 inch) holding the material with vacuum technique.

1. Standard support plates

Varieties: various support plates for common elements

Fixing the materials: especially adapted to the foot print of the elements
